A lot has happened since last we met. The world is in the grip of a pandemic that has changed just about every aspect of our lives, especially our sex lives. No longer can we gather in groups of other fetishists and show off our latest leather corset, stylish harness, braided single tale, or bondage contraption, much less our new sub and their perfect obedient posture. Gone are the days of being able to accompany your mistress or master to their favorite restaurant to serve them in the style they are accustomed to.

More importantly, we are in the throws of a worldwide movement to right the wrongs directed at people of color, particularly African Americans in the U.S., against brutality and death at the hands of those who are supposed to serve and protect.

Also, the U.S. Supreme Court recently ruled in favor of the LGBTQ community, stating that people can not be discriminated against in the workplace because of their sex, further clarifying the meaning of Title VII of the Civil Rights Act of 1964. "It is impossible to discriminate against a person for being homosexual or transgender without discriminating against that individual based on sex." Justice Gorsuch wrote. This is truly a landmark decision, one that is astounding considering the conservative make-up of the court.

Keep fighting the good fight. We will. We hold out hope and look forward to the day when we can gather together again and celebrate equality for all.

## ***When did you start fetish modeling and under what circumstances?***

**Anita Tension:** In 2014, I started cam modeling and shortly after that was asked to do a foot fetish shoot. I learned how pleasurable being worshipped was and have been a certified exhibitionist since.

**Princess:** This is my first shoot.

## ***What fetishes do you like? What do you fetishize in your life?***

**AT:** I like boots, shoes, gloves, vinyl and leather. Clothing enhances my mood. I like bondage, especially rope. I have always been very sexual. My tastes have become more nuanced as I explore BDSM.

I like how dynamic D/s role playing is. I take the role of a dominant very seriously. It is important that trust be established between the top and the bottom.

When I sub, I want to be bound, blindfolded and have my clit and nipples teased, sometimes clamped and whipped. I admire strong, very experienced tops. That's how I learn technique. Also, I love the art of Japanese rope bondage.

**P:** I'm not sure. I like shoes a lot and long hair. Does that count? Oh, and I like to be spanked too!

## ***Why do you want to shoot for TABOO?***

**AT:** Because it is exciting! My exhibitionist side is obviously thrilled. I think about how exposed I will be and the fact that the photos may excite someone else. That is a total turn on.

**P:** It is my dream to be a model. I love the attention.

## ***Have you ever been spanked?***

**AT:** I can't imagine a life without any spankings. Giving them, especially over-the-knee, is fun!. I like to receive as well. Proper timing makes all the difference. The warm-up is crucial to building pleasure and climax.

**P:** I love spanking, especially when Ms. Anita does it to me! She's so beautiful and strict at the right time!

## ***What is the wildest thing you have ever done, on or off set?***

**AT:** Everyone has a different idea of what wild is I suppose. One time that stands out to me is when I bound and caged a bottom and fucked his face while another person fucked his ass. That was super naughty!.

**P:** This shoot is the wildest thing I've ever done. I've never been spanked that hard before!

## ***Have you ever been pissed on or pissed on someone?***

**AT:** I like being watched while I piss. I haven't yet pissed on anyone, I hope to soon! We'd play a little game for them to beg me. Only a few privileged bottoms would be invited to drink!

I had a partner who pissed on me in the shower a few times. I like the power play behind that a lot.

**P:** No, I haven't. I don't think that's for me.

## ***What do you think about anal sex?***

**AT:** I love fucking guys with a strap-on. There is nothing like a strong ejaculation while massaging the prostate. I just wish I had one so I could come even harder! I have prostate envy!

**P:** Anal? Ouch, no, never!

## ***Are you more interested in the art of fetish modeling or the sex of fetish porn or both?***

**AT:** Fetishism is inherently interesting. I love both modeling and fetish sex. I like negotiating scenes and I always learn so much from other people and their fetishes. I find it endlessly fascinating.

**P:** Fetish modeling, I think I can learn a lot through modeling. It's safe too!.

## ***Are you more submissive, dominant or a switch?***

**AT:** I am a switch. It just depends on my mood and who my partner is. I like to push people's limits and read their reactions. When someone is truly ecstatic, it is transformative. I enjoy playing with others, multiple people when I'm lucky!

When I am feeling submissive, I can totally turn myself over the dominant's care. I relish letting go of control. My limits are always being tested too. I have learned so much about myself through submission.

**P:** I am definitely submissive!

## ***Are you in a fetish lifestyle partnership? Would you like to be in one?***

**AT:** I have several play partners with varying levels of kinks. I'm not ready to be in only one relationship.

**P:** I like all the attention of being a submissive model. I would maybe experiment, with the right person.

## ***What was your favorite part of shooting for TABOO?***

**AT:** What's not to like? I was naked with a very sexy woman all day while we posed, played and were photographed. It is an exhibitionist's dream!

**P:** The spanking and being in front of the camera.

## ***How long have you been in the business?***

I think it's been about two and a half years now.

## ***What made you decide to get into the adult business?***

When I was nineteen, I was dabbling a bit, camming, I tried stripping, I didn't like stripping. I wanted to build my brand with shooting. I started shooting and never looked back.

## ***What do you like most about the adult industry?***

I love how much freedom I have. I set my own schedule. If I don't want to do something, I can just say, "No, I'm not feeling it." I only do what I want to do and what I enjoy, and I get paid for it. I love anal. A lot of civilian men are scared of anal. Porn is my space to perfect anal. I also get to have sex with women. The adult business is a great way to meet so many beautiful women.

## ***How has the pandemic changed your sex life?***

Well, it has cut down on the number of people I have sex with significantly, so I miss that. But, it has given me a chance to create a lot of content for myself.

## ***Are you more dominant or submissive?***

Today, I'm more dominant. I have been exploring this side of my personality and I think I have a talent for it. Of course it depends on who I am with and how we fit together. But if the person I am with is submissive, I take the lead very easily.

## ***Have you done dominant scenes before?***

Absolutely! I had a guy crawling around in a ball vice, beating his tight nuts with the whip. Check my twitter!

## ***You are a great pisser.***

Thank you, yes, I have a powerful bladder lol! :) I'm going to work on my aim for the next time we shoot together again.

## ***Would you ever piss on someone?***

Yes, of course, everyone who wants it!

## ***I bet they are lined up!***

Yes they are. Probably there will be even more after these photos come out.

## ***What about spanking?***

I'll spank you! Do you want to get spanked?

## ***No, not me... I mean, do you like spanking?***

It depends on who I'm with. Sometimes, I want to be spanked. It's really hot to get spanked when I'm hav-

ing sex. Other times, when my partner really needs it, I'll give it, HARD! I love creative sex and people, so I am open to trying just about anything. I am good at role playing. You want the naughty nurse? Mean teacher? Bratty schoolgirl? Or perhaps my favorite, Strict Power Bitch!

## ***I'll take the Power Bitch! You have excellent facial expression, do you play poker?***

All the time. ;)

# TABOO's anal advisor

Butt Expertise by Tristan Taormino

PHOTOS BY LEE FORBES

## dear anal advisor

My husband and I have just begun exploring anal sex. My butt-cheeks are extremely sensitive and I recently let him proceed from tickling them to rimming me. Unfortunately, shortly after our first few sessions, I came down with a urinary tract infection that is still proving difficult to cure. This is the first urinary infection I think I've ever had, so it seems more than coincidence. During our sessions he moved back and forth between my ass and my pussy. Could this be the source of my infection, and if so, what's the best way to prevent it in the future?

—anal newbie

## dear newbie

As your husband went from your ass to your pussy, he could have transferred bacteria from your butt to your vulva, from whence they can be pushed into your urethra and cause a urinary tract infection. This is much more likely to happen through penetration—when he fucks your ass, then fucks your pussy—but it's definitely possible by way of oral sex as well. My first suggestion is pretty simple: no more ass-to-pussy! But I suspect that you really enjoy the back and forth play, so I have an alternative. As he rims your asshole, have him use his hand or a vibrator to stimulate your clit. That way, you can both enjoy both sensations at once without the risk. To avoid urinary tract infections in the future, always pee right after sex, rinse your genitals, and drink a big glass of water. These measures will help flush out the urethra and prevent a variety of nasty bugs.

## dear anal advisor

I'm really turned on by asshole-winking. At the moment of first insertion or when my girlfriend is coming, her anus crinkles delightfully. I noticed it during anal play with her last week. Once my finger slid inside her, she squeezed her muscles. I saw it up close, and it was extremely hot for me. Is this a reflex? It looks a bit coquettish and alluring, if not somewhat kinky. It's even more attractive if she's doing it intentionally. It's like her butt is saying, "Come in, it's unlocked, you are welcome." Do you think I have a full-on fetish, like guys who are into gaping or rimming? If so, what is it called?

—wink-loving wanker

## dear wanker

Anal winking can be a voluntary or involuntary muscle movement. Certainly, when you tense your sphincters, then relax them, you can achieve the wink. As to whether or not your response to this can be called a fetish, that is a more subjective matter. Psychiatry defines fetishism as the use of an object or body part to get aroused or to achieve orgasm. However, this particular F-word is used much more loosely by everyday people to describe a particular turn-on or kink that gets them off, like a foot fetish, a piss fetish, or an enema fetish. You could say some people have an ass fetish and others an anal gaping fetish as you suggest. Sthenolagnia is sexual arousal from the demonstration of strength or muscles. But there is no term I know of to describe a love of ass-winking specifically, so you should name it for yourself!

## dear anal advisor

My girlfriend and I have recently jumped on the butt-banging bandwagon. We do everything to prepare: lots of lube, anal stimulation during vaginal sex, and very gradual, relaxing entrance through the back door. She feels no pain and we both go crazy from the pleasure. Last time, she told me to ejaculate while I was in her ass. We're monogamous and tested, so I went for it. She was very surprised to actually get satisfaction out of that as well. After we finished, she went to the bathroom to "freshen up" as she normally does, however, she said she did not have the feeling or urge to expel what I had released. Is this normal? Or is it usual, or recommended to evacuate the ejaculate after an anal internal? Are there any negative consequences with jizz being kept up there?

—one lucky fellow

## dear lucky

What goes in the ass must come back out. If she didn't feel the need to go to the bathroom right afterwards, no worries. Since our bodies have natural waste management systems, your jizz will eventually make its way out of her ass.

## dear anal advisor

I'm a 38-year-old woman who really likes anal sex. When my boyfriend and I have it and I'm fully relaxed, I have an intense urge to pee. This sensation leads me to worry that I might pee, which really diminishes my enjoyment of anal sex. Sometimes I get so anxious it leads to shallow breathing and pain. Is this a common problem? It's especially upsetting for me because I can have phenomenal orgasms during anal sex. I realize I could stop and go pee, but that can kill the mood and it's embarrassing to do each time we have sex this way. I take medication that causes me to urinate frequently, so I make sure to empty my bladder before having any kind of sex.

—don't wanna go

## dear don't

Certainly I've heard of women who feel like they have to pee during anal penetration. In some positions, your boyfriend's penis can put pressure on the urethra, stimulating the bladder and sending a signal to your brain that you have to urinate. For some women, the intense (although indirect) G-spot stim-

ulation they experience during anal intercourse can also excite the urethra and urethral sponge, producing the same effect.

I suspect the drug you're taking may be the culprit in this situation. Not only do you have the urge to pee, you probably actually need to. Get over your fear and embarrassment over ruining the mood, get up and pee! I suspect it's the only thing that will decrease your stress and anxiety and help you relax enough to enjoy anal sex. If the feeling persists after you empty your bladder, talk to your doctor and see if you can change the dosage or take a different medication without this troublesome side effect.

## dear anal advisor

My partner and I are relatively new to anal fisting after almost 30 years of marriage. We bought your book about five years ago and we also have all three of your anal-sex-guide videos. She tells me that her hand hurts, then goes numb while she fists me. She feels a lot of pressure on her hand and she's scared and nervous about going too deep and thrusting. Do you have any suggestions to help us achieve more depth with less discomfort for her?

—fisting in the golden years

## dear fisting

Anal fisting is possible because the sphincter muscles can be trained to relax, making penetration comfortable, and the rectum can expand to accommodate something as

sizeable as a hand. However, the anal opening and the anal canal (the first few inches inside) still tend to feel quite tight once you're in because of the smooth muscles tend to contract. I've felt like my hand was in a vice grip a time or two during an anal fisting!

That said, the vice-grip sensation was fleeting and subsided as the person's ass relaxed. I've never felt pain or the loss of circulation such as you describe, and it sounds like your partner has experienced both. She is correct. There is a lot of pressure on her hand in such a situation, but that pressure shouldn't be so intense it causes distress. The numbness indicates she's losing circulation, which is actually quite dangerous. I suspect that your ass may not be relaxed enough before she gets inside, so perhaps more warm-up is needed before she proceeds from five fingers to the whole hand. Because you mentioned being in "your golden years," I also wonder whether she has arthritis or another condition that contributes to the pain in her hand. The safest solution to this problem is to switch over to large plugs or dildos instead. They will give you the feeling of fullness and deep penetration without giving her discomfort.

## *When did you discover that you were kinky?*

**SM:** I always knew I was different but I didn't fully discover it until my late twenties.

**MD:** Oh jeez, I feel like i've always been kinky. Ever since I was a kid I was always turned on by horror movies, dog collars, chains, etc. But I really started exploring kink when I was around 16.

## *What are your favorite kinks, fetishes?*

**SM:** In no particular order; consensual nonconsent, sadism, humiliation and degradation, rope/bondage.

**MD:** Definitely consensual nonconsent, impact play, rope, sadism/masochism, DDLG (Daddy/Daughter), extreme degradation and humiliation, exhibitionism, water sports...the list is very, very long. Hahaha

## *Are you dominant, submissive or a switch?*

**SM:** I am Dominant

**MD:** I am a switch

## *Are you kinky with other people or are you exclusive to each other?*

**SM:** Uhh, we are porn stars.

**MD:** We are kinky with everyone!

## *Has anything changed in your kink/sex life since the pandemic started?*

**SM:** Yes. The pandemic has brought out a renewed interest in my rigging abilities, but has also caused stress that has made BDSM feel daunting and less of a release.

**MD:** Quarantine sucked. I love my partner but no one should have to be stuck together all the time! :) We did find a lot of time to play with rope but ultimately were less active with BDSM/kink during that time. We also were not able to shoot porn, which was a huge bummer.

## *Do you like rough sex? Please elaborate.*

**SM:** Yes. You should watch my videos.

**MD:** Well, we met through having rough sex...at an orgy...so I think that explains it pretty well. Hahaha, I love it, but I also love slow passionate love makin'.

## *What do you think about anal sex?*

**SM:** I enjoy it

**MD:** I really like getting my butt fucked if I am prepared for it. I'd ultimately like to do DAP or even triple penetration.

## *What was your favorite part of shooting this scene?*

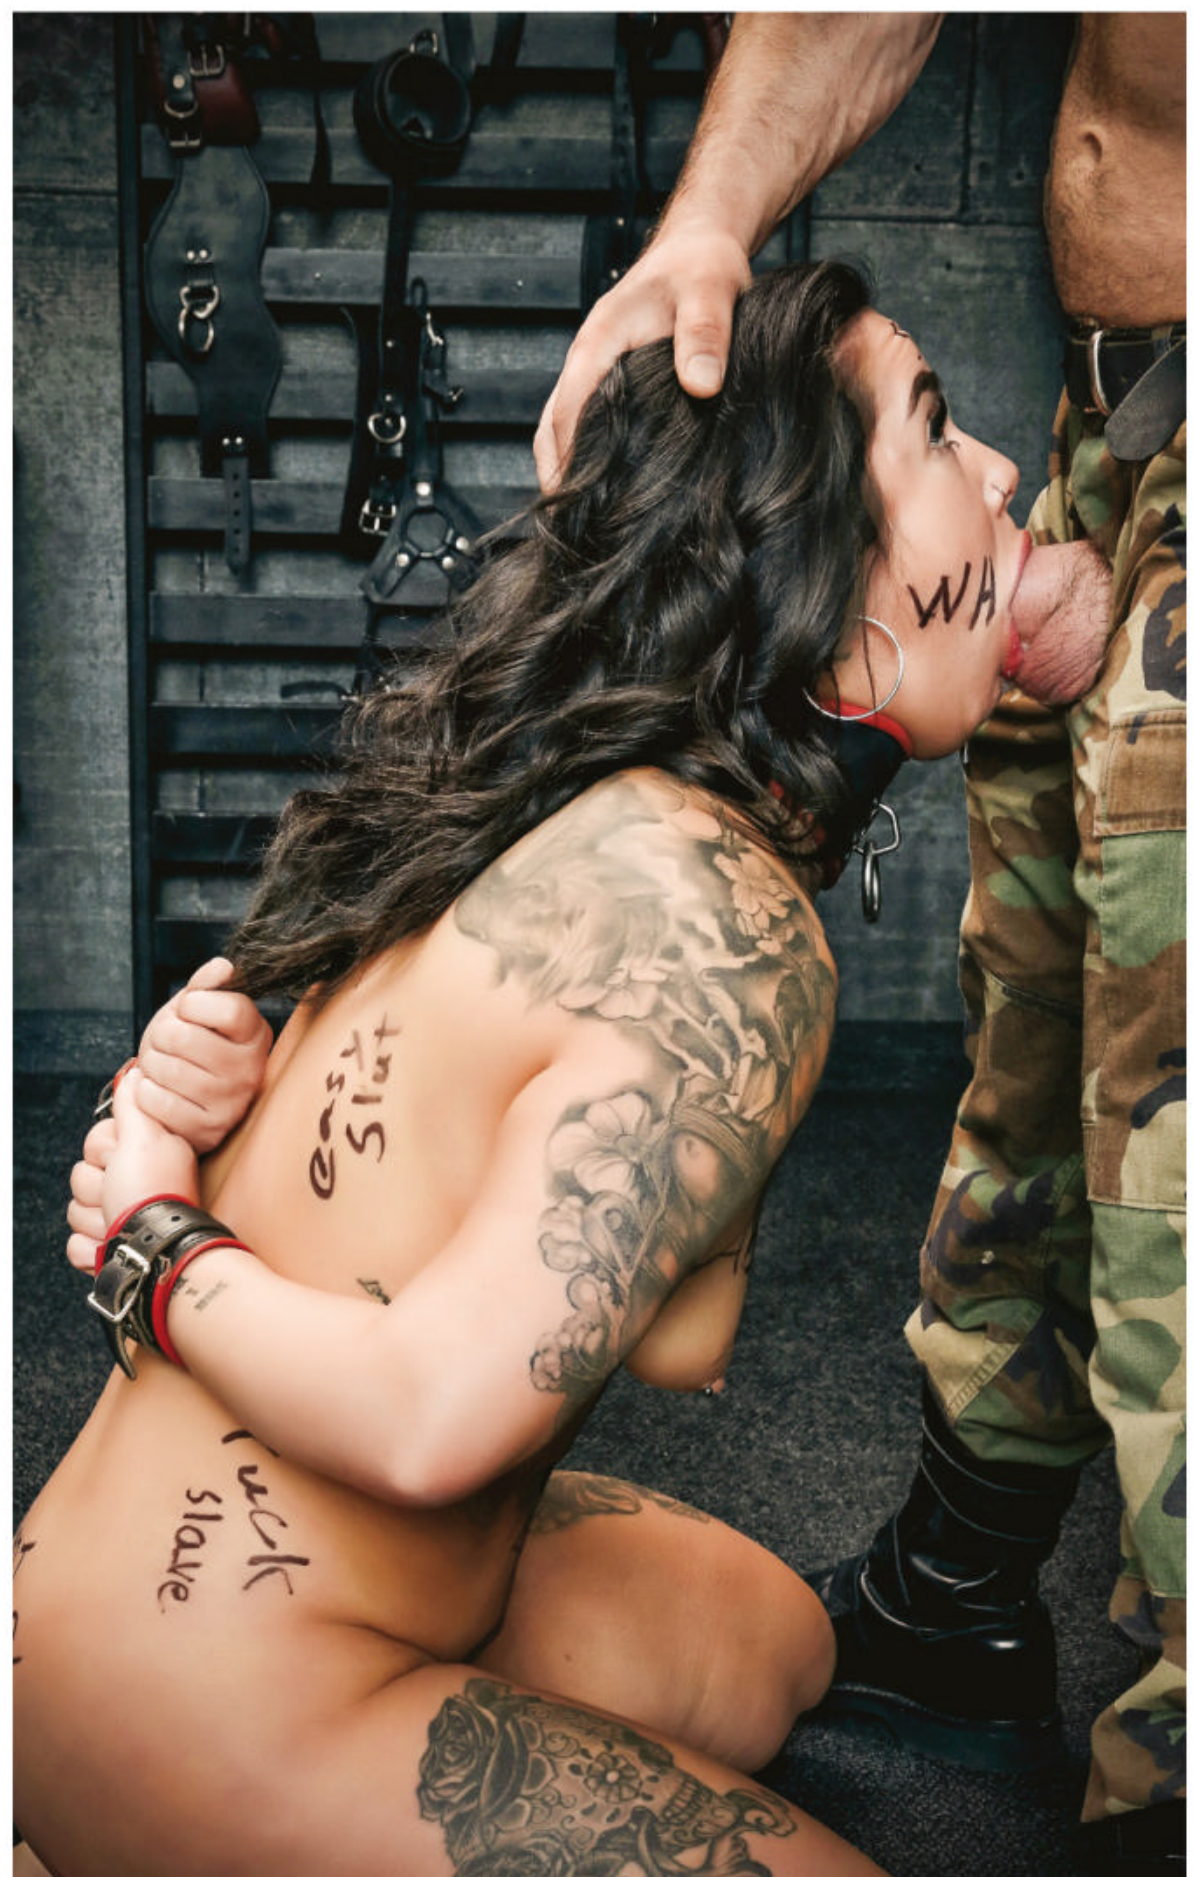

**SM:** I think when she was upside down and I was whipping her.

**MD:** I LOVED all of it! My favorite part was getting strung up upside down and whipped :)

## *Is there anything else you would like the TABOO readers to know about you?*

**SM:** We have a BDSM company, Sergeant Productions, that everyone should check out on all major platforms. We incorporate bondage, breath control, face fucking and hardcore sex into each scene.

**MD:** What he said! I am proud of everything we have accomplished within the industry and also with each other so far.

B001

SAMANTHA

TOPICA

PHOTOGRAPHER

DAVE NAZ

With her vulnerable face and sleek body, Samantha is prime slave meat, but she still needs some tenderizing. She's fine with the stringent robe bondage. She knows she looks hot hogtied in her lingerie, and that's never a bad thing for a slavegirl. As for having her legs spread open while tied to a chair, well, Samantha does know her place. She's already given up ownership of that hole. Of course, she sucks cock as competitively as any of the others. The problem is with that other hole, the little one in back. She'll give it up but not without a lot of crying and whining and begging for some alternatives. Obedient girls just put their faces down and their ass up.

The all-too-easily induced orgasm from a few minutes of didlo pumping is just another thing with which to shame her. It's not like Samantha is any less a slut than the others. She has no more excuse to be picky, as she's reminded while leaking tears of shame with the fat prod roped inside her and still unable to keep from squirming. Still she misses it when it's gone and, rolling back with her high heels in the air, she knows the thick cane won't offer any relief to replace it. The backs of her thighs are Samantha's least-favorite whipping-zone and that's just where the heavy stick lands over and over until she does what's expected. As the blows strike deeper in her soft flesh, Samantha knows what to do. Reaching down to grasp her rear cheeks, she spreads them slowly, opening her tightest socket for the inevitable penetration.

# IN THE NEXT ISSUE OF HUSTLER'S **TABOO**

Raven-haired beauty Natasha Zare makes her TABOO debut. The feisty vixen is bound, gagged, and left to contemplate an adjustment to her defiant attitude.

Are two girls always better than one? What about sisters? In the next issue, we explore in depth the controversial fantasy of twin sisters as sex partners.

Plus, more pissing ladies, strict dominants, sweet submissives and hardcore fetishism you have come to expect from TABOO.

See you next time. Stay safe.

**TABOO NOVEMBER/DECEMBER 2020**
